

The image features a teal background with several abstract geometric elements. A purple ring is positioned in the upper right, partially overlapping a large orange circle. To the right of the purple ring is a vertical dotted line of small white and yellow dots. Further right, there are several overlapping shapes: a purple zigzag pattern at the top, a pink trapezoidal shape, and a pink rectangle with a purple border. A large orange circle is also present, overlapping the pink shapes and the purple ring. A red diagonal line runs from the bottom left towards the center. The text 'SOUL KITCHEN DRINKS' is located on the left side of the image.
